

Accessibility Sunday!

Inclusion is a Social & Scriptural Responsibility

Every church can host an annual ACCESSIBILITY SUNDAY worship service for their community. The Abilities Ministries provides promotional and logistical support to churches in order to bring greater awareness towards our responsibility to invite and include people with disabilities within the whole community and church. When your church registers in our Accessibility Sunday Network your church will be endorsed and promoted through one of the largest accessibility networks in North America. Join us as we follow our Lord's example and mandate of inclusion towards people with disabilities.

3 Reasons your church should host an Accessibility Sunday!

- 1. It AFFIRMS** our social, spiritual and scriptural responsibilities to invite and include people with disabilities within the church. Luke 14:1-24; 1 Corinthians 9:22; 12:21-25; 1 Thess 5:14
- 2. It ADORNS** the gospel of Christ to our community by following the example of our Lord in ministering to people with disabilities. Matthew 4:23. 24;11:-2-5
- 3. It ACTIVATES** the power of God through the weaker members of his Body. 1 Cor 9:22; Romans 15:1; 1 Cor 12:21-26
