Our Vision

Our Vision is to follow the example and mandate of Christ in giving people with disabilities a priority within the church today in order to fully experience the presence and power of God through a church that finds its strength through its weaknesses by honouring the least among us as the greatest in God's Kingdom.

Our Mission

Our Mission is to equip and support the church in becoming equally inclusive towards people with disabilities through the development of Abilities Outreaches and/or Accessibility Sundays which operate as a fully integrated part with the regular worship services and events of the church.

Why your church should host an Abilities Outreach and/or Accessibility Sunday?

1. It **AFFIRMS** our social, spiritual and scriptural responsibilities to invite and include people with disabilities within the church. Luke 14:1-24; 1 Corinthians 9:22; 12:21-25; 1 Thess 5:14
2. It **ADORNS** the gospel of Christ to our community by following the example of our Lord in ministering to people with disabilities. Matthew 4:23,24;11:-2-5
3. It **ACTIVATES** the power of God through the weaker members of his Body. 1 Corinthians 9:22; Romans 15:1; 1Cor 12:21-26
